

Welcome Home Baby Kit

Congratulations on your new baby! To help ease the transition into parenthood, Mothers' Milk Bank is proud to offer Welcome Home Baby Kits. These kits are each equipped with 20 ounces (5 bottles) of donor human milk to act as a "bridge" until your own milk comes in. Our goal is to ensure you are given the best start on your breastfeeding journey and have the support you need to meet your breastfeeding goals.

How to Order

- 1** Visit our website at milkbankcolorado.org. Fill out your Infant Medical History Form under Buy Milk > Buy Milk for Your Baby.
- 2** Once your paperwork is completed and submitted through our website, **please call 303.869.1888 to place your order.**

Each kit contains 20 ounces (5 bottles) of donor human milk. If you would like to receive more than 20 ounces of milk with your kit, please let us know. Please note that a prescription from your baby's doctor is required to receive more than 40 ounces total (10 bottles total).

Financial aid is available through our Medical Relief Fund. Please inquire for more details.

Three Ways to Get Your Kit

Saturday deliveries available in some areas.

About Mothers' Milk Bank

A nonprofit program of Rocky Mountain Children's Health Foundation, Mothers' Milk Bank (MMB) collects, processes, and distributes donor human milk to infants across the country. Mothers' Milk Bank is committed to safety and quality, following the strict guidelines set forth by the Human Milk Banking Association of North America (HMBANA) and the Food and Drug Administration (FDA). All milk donors are screened by trained staff members, undergo blood testing, and must have their health care providers confirm their medical histories. The milk is pasteurized in an ISO 7 clean room and extensively tested prior to being dispensed. *Learn more at milkbankcolorado.org.*

Join us for Baby Café!

Mothers' Milk Bank hosts Baby Café every Wednesday, providing free lactation support and advice from a certified lactation specialist. Join our drop-in cafés Wednesdays at 10am at our office in Arvada (5394 Marshall Street, Arvada, Colorado).

* We can ship milk overnight to every state except for New York and Maryland. | Pricing effective as of 4/1/2025. Pricing subject to change. Orders subject to availability. Mothers' Milk Bank prioritizes orders for hospitals and medically fragile infants. Prices for couriers and overnight shipping are determined by service provider and depend on weight and delivery address. **MMB is not able to accept return of unused milk.**

Mothers' Milk Bank is open Monday through Friday from 9:00am-4:30pm
